

THE NEW PRINCESS S72

PRINCESS

FEEL THE EARTH MOVE
THE SEA FLY
AND YOUR MIND
BEING BLOWN AWAY

Princess unveils a new attitude in design, performance and luxury. With its low profile lines, the S72 looks like nothing else and comes equipped with another legendary Princess advanced deep-V hull, delivering exceptional handling and ride quality. Slalom through the seas with the assurance of immaculate seakeeping and superlative control. At 38 knots this Sportbridge yacht offers fast and thrilling on water performance.

The S Class has so much exterior space: a high vantage point sportbridge, large cockpit with steps down to the extended swimming platform and a walkthrough foredeck provides a stunning additional entertaining area. Concealed under a triple sunbed is a 3.9 metre transom garage big enough for a tender, jetski and a host of other sports equipment.

The S Class saloon is an incredible concept. A space that you can arrange and expand to suit the occasion. The solid timber sole of the saloon is laid in continuous planks right through to the cockpit.

Full height glazed doors fold away creating a huge one-level open plan entertaining space – part covered, part open and with an optional sunroof further enhancing the concept.

Tinted glass is thermo bonded to the superstructure effectively creating 360 degree infinity views with micro mullion pillars to support the window area that sweeps along the saloon and wraps around the helm station.

Contemporary interior style includes Macassar Ebony and lacquered ceilings with polished steel inlays alongside classic toned leathers and herringbone linings.

Over and above everything else, the sense of space on our S72 is overwhelming. Inside or out, cruising or at anchor, the S Class sportbridge concept is a winning combination of luxury style and performance.

S Class - A winning combination of luxury style and performance.

The S72 has two full ensuite cabins and one twin. In addition there is a twin berth crew cabin, aft. The full beam master stateroom has large hull side windows running along the entire length of the cabin as well as an opening porthole allowing guests to have the choice of fresh air or air conditioning.

Build quality and interior sophistication is what sets Princess apart. Apart from our beautifully crafted light oak or cherry

cabinets, there is also choice of Rovere Oak or American Walnut allowing you to customise the interior to your taste.

Raw silk panelling, soft wool carpets – quality of comfort in no way compromises dynamic performance.

SPORTBRIDGE

MAIN DECK

LOWER DECK

PRINCESS S CLASS. S72 SPECIFICATIONS

PRINCIPAL DIMENSIONS

Length overall (incl. pulpit)	74ft (22.57m)
Length overall (excl. pulpit)	72ft 4in (22.06m)
Beam	17ft 8in (5.38m)
Draft	4ft 10in (1.48m)
Displacement approx.	43,000kg (94,798lbs)*
Fuel capacity	1,055 gal/1,268 US gal/4,800l
Water capacity (incl. calorifier)	166gal/199 US gal/755l

- Two electric sternline mooring winches
- Stainless-steel coachroof handrails
- Forecabin hatch
- PVC rubbing band with stainless-steel insert
- LED deck level lighting
- Full set of IMCO navigation lights
- Riding light
- Searchlight with remote control
- Twin electric horns
- Fuel and water fillers
- Electro-hydraulic telescopic passerelle (3.8m) with remote control

COCKPIT

- Teak decking
- U-shaped seating/dining area with folding teak table and two loose chairs
- LED overhead and deck level lighting
- Tonneau cover
- Stainless-steel handrails
- Cockpit wetbar including sink, drawer fridge, barbecue, storage and waste bin
- Electro-hydraulically opening garage for tender (up to 3.9m)
- Electric winch dinghy retrieval system
- Life raft storage
- Access hatch to lazarette stowage space
- Transom door to crew cabin
- 220/240v shore support inlet in locker
- Loudspeakers linked to saloon surround sound system
- Twin cockpit gates leading to aft deck and to bathing platform with raise and lower facility (400kg/882lb capacity), hot and cold transom shower, foldaway swimming

SPORTBRIDGE

- Dual station instrumentation and controls (see Helm Position)
- Helm position featuring hydraulically raised instrument console with repeat engine instrumentation and radar/chart plotter multifunction display
- Power-assisted steering with adjustable wheel
- Adjustable helm seat
- Navigation seat
- Bilge pump visual and audible warning indicators
- Engine room and lazarette fire extinguisher warning system
- L-shaped seat (converts to sunbed)
- Additional seating around sofa/dinette with folding teak table
- Stereo radio/iPod, MP3 dock with waterproof speakers
- Aft access from cockpit via perspex hatch
- Wind deflector screens
- Stainless-steel handrails
- LED deck level lighting
- GRP radar arch
- Console and seat covers
- Matched whip aerials for VHF R/T and radio
- Bar with sink, barbecue, top loading coolbox, waste bin and storage

HELM POSITION

- Twin helm seats with electric adjustment
- AC/DC control systems panel
- Door to side deck
- Clear toughened glass windscreen for unimpaired night vision
- Skylights with reflecto-glass and sliding blinds (option of powered opening roof)
- Instrument panel
- Full engine instrumentation
- Fuel gauges
- Electronic engine and gear shift controls

- Power-assisted electro-hydraulic steering with adjustable steering wheel
- Bow thruster control
- Rudder position indicator
- Electro-hydraulic trim tab controls with indicators
- Autopilot
- VHF with DSC R/T
- Colour radar (with scanner) and GPS/chart plotter (2 displays)
- Speed and distance log
- Echo sounder with alarm
- Remote control searchlight
- High-speed compass
- Horn button
- Chart area with storage
- Twin windscreen wipers
- Windscreen freshwater pressure wash
- Bilge pump controls with visual 'pump running' indicators
- Fuel contamination alarm system
- Air conditioning outlets
- 12v outlet
- Red night lighting

DECK SALOON

- Full air-conditioning
- U-shaped sofa with coffee table and sofa opposite
- HD LED TV (46") (with 3D capability) on rise and fall
- Radio/DVD Blu-ray system and 5.1 AV surround sound system
- Sideboards incorporating refrigerator, icemaker and bottle and glass storage
- Forward dining area
- Blinds, curtains or sunscreens to all windows and doors
- LED overhead and concealed lighting (24v)
- Stainless-steel framed triple sliding saloon doors with electric drop window
- Skylights over forward area with reflector-glass and solar film
- Timber flooring with inset rug in saloon

GALLEY

- Granite or marble worktop
- Stainless-steel sinks with Monobloc mixer tap
- 4-zone ceramic hob
- Extractor fan
- Combination microwave/conventional oven with grill
- 8 place dishwasher
- Full height fridge/freezer
- Storage cupboards, drawers and lockers
- Waste bin
- Opening porthole with venetian blind
- LED overhead and task lighting (24v)
- 220/240v outlets (4)
- Timber-laid flooring
- Combination washer/dryer and storage area below stairway

ACCOMMODATION

- All cabins and bathrooms feature opening and/or fixed portholes
- All cabins feature 220/240v power points
- All bathrooms feature electric quietflush toilets and 240v shaver points

OWNER'S STATEROOM

- Large double bed with drawers below
- Twin bedside tables
- Walk in wardrobe
- Dressing table with chair
- Mirror
- Sofa
- Storage lockers and drawers
- 32" HD LED TV (with 3D capability)
- Radio/DVD Blu-ray system and 2.1 AV surround sound system
- Panoramic windows including opening porthole with curtains or blinds
- LED overhead and concealed lighting (24v)
- Individual berth lights
- 220/240v outlets (2)
- Fitted carpet
- En-suite bathroom:
 - Washbasin with Avonite worktop
 - Mirror
 - Storage lockers
 - Shower compartment with automatic pump out
 - Extractor fan
 - Window with opening porthole and venetian blind
 - LED overhead and concealed lighting (24v)
 - Bathroom accessories

ENGINE OPTIONS – DIESEL

Caterpillar C32 A (2 x 1622mhp)	Speed range: 34-36 knots†
Caterpillar C32 A (2 x 1723mhp)	Speed range: 35-37 knots†
MAN V12-1800 (2 x 1800mhp)	Speed range: 36-38 knots‡

Tiled flooring

FORWARD GUEST CABIN

- Large double bed with drawers below
- Wardrobe with shelves
- Dressing table with stool
- Mirror
- Storage lockers and drawers
- Window with opening porthole and venetian blind
- Deck hatch with skylight and blind
- LED overhead and concealed lighting (24v)
- Individual berth lights
- 220/240v outlets (2)
- Fitted carpet
- En-suite bathroom:
 - Washbasin with Avonite worktop
 - Mirror
 - Storage lockers
 - Shower compartment with automatic pump out
 - Extractor fan
 - Window with opening porthole and venetian blind
 - LED overhead and concealed lighting (24v)
 - Bathroom accessories
 - Tiled flooring

STARBOARD GUEST CABIN

- Two single beds with drawers below (with option of double bed conversion)
- Bedside table
- Wardrobe with shelves
- Mirror
- Storage lockers and drawers
- Opening portholes and venetian blind
- LED overhead and concealed lighting (24v)
- Individual berth lights
- 220/240v outlets (2)
- Fitted carpet
- En-suite bathroom:
 - Washbasin with Avonite worktop
 - Mirror
 - Storage lockers
 - Shower compartment with automatic pump out
 - Extractor fan
 - Opening porthole and venetian blind
 - LED overhead and concealed lighting (24v)
 - Bathroom accessories
 - Tiled flooring
 - Day access door from passageway

CREW CABIN

- Two single beds with storage below
- Wardrobe with shelf
- Mirror
- Storage lockers and drawers
- Opening porthole and venetian blind
- LED overhead lighting (24v)
- Individual berth lights
- 220/240v outlet (1)
- Timber-laid flooring
- En-suite bathroom:
 - Washbasin with Avonite worktop
 - Mirror
 - Storage lockers
 - Shower compartment with automatic pump out
 - Extractor fan
 - LED overhead lighting (24v)
 - Bathroom accessories
 - Tiled flooring

- Galley worktop in Marble or granite
- Choice of high quality carpet and upholstery fabric from extensive range
- Curtains, blinds or sunscreens to all windows and portholes
- Crew cabin has timber flooring, crew bathroom floor is black tiled with white Avonite countertops

POWER AND DRIVE SYSTEMS

- 5-bladed propellers in nickel aluminium bronze
- Bow thruster (170kg/375lb) with dual-station controls
- Engine room lighting

- Engine room access hatch and ladder
- Power-assisted electro-hydraulic steering system
- Trim tabs with indicators
- Electronic engine and gear shift controls
- Engine room extractor fan with electronic time delay
- Fresh water supply point in engine room
- Dripless self aligning shaft seats

ELECTRICAL SYSTEMS

- 24 Volt:
 - 4 x heavy duty batteries for engine starting
 - 6 x heavy duty auxiliary batteries
 - Engine alternators charge both banks of batteries via automatic switch charging system
 - 2 x 60amp battery chargers charge both banks of batteries via an automatic switch charging system
 - Battery paralleling system with remote control at helm position
 - Remote battery master switches with control switch at main panel
 - Circuit breakers on all circuits
- 220/240 Volt:
 - 22.5kW diesel generator with own starting battery and specially silenced exhaust
 - Shore support inlet in cockpit
 - Generator/shore support changeover switch
 - Power points (240v) in saloon, galley, owner's stateroom and guest cabins
 - Polarity check system
 - Earth leakage safety trip
 - Shaver points in all bathrooms

FUEL SYSTEM

- Twin fuel tanks (in NS8 marine grade alloy) with interconnection system giving 1055 gallons/1268 US gallons/4,800 litre capacity
- Fuel filters on both side decks
- High-capacity duplex fuel filters/water traps with changeover cocks and visual contamination warning at console
- Remote fuel cocks at lower helm position
- Fuel gauges on helm console

WATER SYSTEM

- Water tanks totalling 150 gallons/180 US gallons/682 litres plus 16 gallons/19 US gallons/73 litres hot water calorifier
- Water heated by engines and 240v immersion heater
- Automatic water pump with filter
- Main circuit breaker at switch panel
- Water level gauge
- Deck filter
- Electric quietflush WC system with 60 gallons/72 US gallons/272 litres holding tank, content gauge and low noise electric overboard discharge, with macerator backup system as well as dockside discharge system

FIRE EXTINGUISHERS

- Automatic/manual override fire extinguishers in engine room with warning system at helm position
- Hand-operated fire extinguishers (5) in owner's stateroom, forward and starboard

- Quilted bedspreads supplied to all cabins (except crew cabin)
- Fenders (8) and warps (4)
- Ensign staff
- First aid kit
- Boathook
- Owner's manual
- Engine manual
- Tool kit
- Manual winch handle
- Ship's document case

*Displacements are calculated with 50% fuel and water but with no optional equipment fitted or other gear on crew aboard.
† Speeds are given at half load condition with boat to standard specification and with no additional equipment on board. Speeds are estimated and given in good faith but without warranty. Craft illustrated in this brochure may be fitted with certain optional equipment. Specifications may be changed at any time without notice or liability. USA Specification
‡ Princess yachts built for use in north America are certified by the national Marine Manufacturer's Association (NMAA) to comply with safety recommendations set forth by the American Boat and Yacht Council (ABYC) and with standards established by the United States Coast Guard Office of Boating Safety. In addition, certain other specifications, which vary by model, are upgraded on Princess yachts built for use in north America. Thus, specifications and equipment will vary from the information listed in the brochure for north American Princess yachts (e.g. air-conditioning and an upgraded generator will be included as standard for all north American models and electric cooking facilities will be supplied in place of gas systems). Please consult the USA specification Brochure for full details regarding the north American specifications for individual models.
